

MISSIONARIES PLAN OF ACTION IN HAITI

GET INVOLVED

Manassas, Virginia- January 22, 2010 - The truck loaded with food and medical supplies is on its way to Florida to be airlifted to Haiti next week. The Missionaries of Our Lady of Divine Mercy would like to thank everyone who has given so generously. **This mission would not be possible without you.**

When we leave for Haiti Monday morning, January 25, 2010, we will be flying to Miami to meet the plane that will take us directly to Port au Prince, Haiti. Working together with Congressman Gillman of New York and Omega Military Consultants, we are loading 6,000 pounds of emergency relief aid onto the plane.

Once in Haiti we will have trucks ready to receive our donations and our destination will be the orphanages and hospitals in the city of Port au Prince. It is also our intention to visit the area where mass graves are being dug to bury the dead. Here we will pray for the victims of the earthquake.

Gas is very limited in the country and the cost per gallon is about \$8. We need money to help pay for the trucks that will be distributing the aid as well as gas. We are also looking for financial support to help buy additional medical supplies, in particular for children.

While we are there, we will be exploring ways we can assist refugees here in the United States through the House of Mercy in Manassas, Virginia. Many of you have asked about adoption procedures for the number of orphaned children. We will be gathering information and posting it on our website as we learn more. This endeavor will be costly, but the value of life is priceless.

TIME IS RUNNING OUT.

**WE ARE CRITICALLY SHORT OF FINANCIAL
DONATIONS TO HELP THESE CHILDREN.**

THE TIME FOR MERCY IS NOW.

YOU ARE THE INSTRUMENT TO MAKE IT HAPPEN.
